

PRESS RELEASE

September 17th, 2019

Gazechim Composite is pleased to announce the appointment of MCtechnics (member of Groupe Gazechim) by Polynt as the distributor for Benelux starting from September 1st 2019.

MCtechnics will take over the distribution of their entire Polynt-Reichhold range of unsaturated polyester products including the POLYLITE Polyester Resins, the DION Vinyl Ester Resins, the NORPOL Gelcoats and Bonding Pastes.

With this agreement, MCtechnics intends to enlarge the technical possibilities offering to their Customers Premium Products and state of the art Solutions. MCtechnics commitment to “We Compose it for You” has never been so strong.

“I am delighted with this agreement with the Polynt-Reichhold Group, which strengthens our European partnership and opens up new opportunities.,” said Jean-Marc Libes, Business Manager.

About Group Gazechim Composites

Group Gazechim is a leading distributor of composite raw materials throughout Europe. The Group distributes, from more than 20 countries, the full range of advanced and commodity composite materials from first class partners and producers. It also offers supply chain solutions, technical support as well as other services such as tailor-made gel coats, honeycombs and kit-cutting capabilities.
